

Fullback

Technical Sheet

This is an excellent overseeder blend for those thinning areas of your fields. Fills in between the hash marks, around the goals, and the other areas that show the wear and tear from heavy play.

Perhaps Fullback's most notable characteristic is its exceptionally strong root structure which produces excellent tensile strength.

Great germination.

Good green color.

SEEDING RATE

4 - 5.5 lb. per 1,000 sq. ft. for **New Seeding**

2 - 3 lb. per 1,000 sq. ft. for **Overseeding**
