

# Halfback

Technical Sheet

Good overseeder for areas starting to show wear and tear due to play activities. This blend of varieties will establish quickly to give your field a strong thick turf.

Has a very good rating for disease tolerance with a medium high fertility requirement.

Rich green in color, ideal for your athletic fields.

Flexible and capable of being mowed at different mow heights.

When you are short on time and the field is in need of repair, Halfback is your answer.
