MIXTURE TOTAL	55.0 lbs.

All mixtures are blended per order.

Pricing will always be quoted per acre; however, we can put together whatever amount you need.

If there are species within the mixture that you would like to substitute with different species, we can do that!

We can custom blend a mixture to your job specifications.

Custom mixtures are our specialty!

Note:

Due to ingredient product availability, substitution maybe necessary. Please keep in mind we will use equivalent to or better than cultivars.
